Mr. Charles B. Brown
Special Assistant for
Patent Policy
Office of the Secretary
Department of Health, Education,
and Welfare
Washington, D. C. 20201

Dear Mr. Brown:

Reference is made to the petition submitted by me on April 18, 1967 requesting the Department of Health, Education and Welfare to enter into an institutional agreement with the University of Wisconsin covering the disposition of patents which may arise at this University in connection with research supported by the Department.

It is my understanding that the present form of institutional agreement requires the university to submit certain additional information. Attached please find this additional material arranged as indicated in "Requests for DHEW Institutional Patent Agreements". I trust that this will satisfactorily complete our petition.

Thank you for your cooperation.

Sincerely yours,

Fred Harvey Harrington
President
