Dear Mary:

Enclosed you will find the letter which you asked me to prepare to accompany the White House Fact Sheet and Dr. Saxon's address in a mailing to all the SUPA members. I am also enclosing a single copy of the appropriate pages from the Patent, Trademark and Copyright Journal even though you indicated you had a copy of the Journal.

As a last item I am sending you some correspondence which I received from NACUBO on behalf of IMRG. Please note the listing of SUPA on pages 12 and 13 of the roster. If you like you can respond to Mr. Hunt with the appropriate addresses for the regional vice presidents although after our February meeting undoubtedly some of these will be changed. Again, I do not believe that membership in IMRG satisfies any particular need which SUPA has.

Very truly yours,

Howard H. Bremer  
President
