Special Assistant for Patent Policy
Office of the Secretary
Department of Health, Education,
and Welfare
Washington, D. C. 20201

Dear Mr. Brown:

I enclose two copies of a newly executed agreement between WARF and the University of Wisconsin. This agreement replaces the one entered into in June, 1965 and submitted to HEW as part of our cooperative approach to patenting problems. The new agreement is identical to the old one except in two particulars: paragraph 3(d) has been added in anticipation of an institutional agreement between Wisconsin and your department; and paragraph 9(a) has been changed to make the agreement indefinite as to time limit.

I trust that this agreement fully complies with HEW requirements and that we shall be hearing soon about the proposed institutional agreement.

Thank you for your cooperation.

Sincerely,

William H. Young
Assistant to the President
