**WORLD LEAGUE OF AMERICAN FOOTBALL PLAYER CONTRACT**

THIS CONTRACT, executed this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, is between \_\_\_\_\_ (hereinafter "Player") and the world League of American Football, Inc., a Delaware corporation (hereinafter "League"). In consideration of the promises made by each to the other, the Player and League agree as follows:

**1. TERM.** This contract covers one League football season and will begin on \_\_\_\_\_, 19\_\_\_\_, and end on July 31, 1991, unless extended, terminated, or renewed as specifically stated elsewhere in this Contract.

**2. EMPLOYMENT AND SERVICES.** League employs Player as a skilled professional football player. Player accepts this employment. During the Term of this Contract, Player agrees to give the League and to any League franchise fielding a football team (hereinafter "Team") to which he is assigned pursuant to the provisions of this Contract his best efforts and loyalty. Player will report promptly for and participate fully in any official pre-season training camps, meetings and practice sessions, whether conducted by League or the Team, and all pre-season, regular-season, and post-season football games scheduled for or by the Team. If invited, Player will practice for and play in any all-star football games sponsored by League. Without prior consent of the League, Player will not engage in any activity other than football which may involve a significant risk of personal injury. Player represents that he has special, exceptional and unique knowledge, skill, ability and experience as a football player, the loss of which cannot be estimated with any certainty and cannot be fairly or adequately compensated by damages. Player therefore agrees that the League will have the right, in addition to any other which the League may possess, to enjoin Player by appropriate proceedings from playing football or engaging in football-related activities, or negotiating with any other entity for the purpose of playing, for a professional football team other than a League team or for a professional football league other than League during the Term of this Contract or from engaging in any activity other than football which may involve a significant risk of personal injury.

In addition, in its sole discretion, League may provide Player a cost-of-living allowance in an amount, if any, to be determined by League.

**14. DEDUCTIONS.** Any properly levied Team, League or President fine against Player will be paid in cash on demand or by means of deductions from payments coming due to Player under this Contract, the amount of such deductions to be determined by the Team or League unless this Contract specifically provides otherwise.

**15. PHYSICAL CONDITION.** Player represents to the League that he is and will maintain himself in excellent physical condition.

**(a) Pre-season Physical** -- Prior to participation in any League or Team practice or game, Player will undergo a complete physical examination by a League physician, during which physical examination Player agrees to make full and complete disclosure of any physical or mental condition known to him which might impair his performance under this Contract and to respond fully and in good faith when questioned by the League physician about such condition. If Player fails to establish his excellent physical condition to the satisfaction of the League physician or to make the required full and complete disclosure and good faith responses to the League physician, the League may terminate this Contract pursuant to Paragraph 19(b) herein.

**(b) Physical upon request** -- Player will undergo a partial or complete physical examination by a League or Team physician as the League may request from time to time, during which physical examination Player agrees to make full and complete disclosure of any physical or mental condition known to him which might impair his performance under this Contract and to respond fully and in good faith when questioned by the League physician about such condition. If Player fails to submit to such a physical upon request, or to make the required full and complete disclosure and good faith responses to the League or Team physician, League may terminate this Contract pursuant to Paragraph 19(b) herein.

Player agrees to abide by and be bound by the League Substance Abuse Policy, and acknowledges and agrees that failure to submit to any drug test in the manner and timing required by League or Team is grounds for immediate termination of this Contract pursuant to Paragraph 19(b) herein.

**17. INJURY.** If Player is injured in the performance of his services under this Contract and properly and immediately reports such injury to the League physician or Team physician or trainer, then Player will receive such medical and hospital care during the term of this Contract as the League or Team physician may deem necessary, provided that the doctor and hospital are selected by League or Team, and provided further that League shall be obligated to pay only those expenses incurred as a direct result of the injury sustained by Player. **18. WORKMEN'S COMPENSATION.** Any compensation paid to Player under this Contract for a period during which he is entitled to workmen's compensation benefits by reason of temporary total, permanent total, temporary partial or permanent partial disability will be deemed an advance payment of workmen's compensation benefits due Player, and the League will be entitled to be reimbursed to the extent allowed by law the amount of such payment out of any award of workmen's compensation.

#### **19. TERMINATION.**

**(a) Termination without cause** -- League may terminate this Contract if, in the sole judgment of League and/or Team, Player's services will not be necessary to field professional football squads by every team operated by League or operating as members of League. Player understands that he is competing with other players for a position on the roster of the Team or other teams operated by League or operating as members of League within the applicable player limits. If at any time, and in the sole judgment of League and/or Team, Player's services are unnecessary or Player's skill or performance has been unsatisfactory, the League may terminate this Contract, in which event all earned but unpaid salary and any performance bonuses Player has earned or is otherwise entitled to shall be due and payable. If this Contract is terminated by the League and either Player or League so requests, Player will promptly undergo a complete physical examination by a League physician. Termination will be effective upon the giving of written notice.

**(b) Termination for cause** -- League may terminate this Contract at any time for, among other things, Player's failure to comply with League rules and regulations (including, but not limited to the refusal to submit to a drug test or otherwise failing to comply with the League Substance Abuse Policy), conduct detrimental to League, Team or professional football or other breach of this Contract or other just cause, in which event all earned but unpaid salary shall be due and payable, but player forfeits any performances, bonuses or additional compensation. Termination will be effective upon the giving of written notice.

#### **20. LEAGUE DISCIPLINE.**

**(a) Integrity of game** -- Player recognizes the detriment to the League and professional football that would result from impairment of public confidence in the honest and orderly conduct of League games or the integrity and good character of League players. Player therefore acknowledges his awareness that if he accepts a bribe or agrees to throw or fix a League game; bets on a League game; knowingly associates with gamblers or gambling activity; uses or provides other players with stimulants or other drugs for the purpose of attempting to enhance on-field performance; knowingly associates with drug dealers or users; or is guilty of any other form of conduct reasonably judged by the League President to be detrimental to the League or professional football; then the President will have the right, after an investigation by the President to be conducted in a manner chosen by the President at his sole discretion, to fine Player in a reasonable amount, to suspend Player for a period certain or indefinitely, and/or to terminate his Contract.

**(b) Conduct** -- Player agrees that President shall have the right, after an investigation by the President to be conducted in a manner chosen by the President at his sole discretion, to fine Player in a reasonable amount or to suspend Player for a period certain or indefinitely or to otherwise discipline Player for conduct in preparation for or playing of any pre-season, regular-season or post-season game which, in the sole opinion of the President, is detrimental to League or professional football. Player agrees that the President shall be the final authority on discipline imposed pursuant to this Paragraph 20, and decisions of the President shall be the final authority on discipline imposed arbitration pursuant to Paragraph 22 herein, and Player agrees to waive any and all rights to any claims, demands, causes of action or suits which may arise in connection with any Presidential discipline imposed pursuant to this Paragraph 20.

**21. DISPUTES WITH TEAM.** In all disputes between Team and Player, the President of the League shall be the final authority, and any decision of the President regarding such a dispute shall be final and binding upon Player. Player agrees that decisions of the President regarding such disputes shall not be subject to any claims, demands, causes of action or suits which may arise in connection with the resolution by President of any dispute hereunder.

**22. ARBITRATION OF DISPUTES AND WAIVER OF SUITS.** Any dispute between Player and League which arises under, out of or in connection with this Contract, save and except for decisions of the President pursuant to Paragraphs 20 and 21 herein and decisions or actions within the sole discretion or managerial judgment of the League or a Team, will be submitted, within fourteen (14) days from the decision or action complained of, to final and binding arbitration by an independent, outside arbitrator. League shall maintain a provision in the Constitution for the selection of independent arbitrators. In order to initiate arbitration, Player or League must serve the other with a demand for arbitration within fourteen (14) days from the action or alleged action giving rise to the dispute specifying the nature of the dispute and remedy sought, accompanied by a payment of \$1,500 to be deposited in the League Arbitration Escrow Account as an advance payment of the arbitrator's fees and expenses. The arbitrator selected shall issue notice of hearing at a mutually convenient date and time at a League office. Said fee and expense will ultimately be borne by the losing party or in such proportion as the arbitrator shall decide. Player and League agree that the arbitrator shall have the power and authority to decide the dispute, and that his award shall be final, binding and conclusive as to any such claim within his jurisdiction under this Contract. Both League and Player recognize and agree that they are waiving any and all rights to any claims, demand, causes of action, or suits arising under, out of or in connection with Contract (whether involving an arbitrable dispute and except as provided in Paragraph 4).

**23. EXTENSION.** If Player retires from the League as an active player, or otherwise fails or refuses to perform his services under this Contract, this Contract will be tolled between the date of his retirement or his failure or refusal to perform, and later date of his return to the League. During the period this Contract is tolled, Player will not be entitled to any compensation or benefits. On Player's return to the League, the term of this Contract will be extended for one season. The right of renewal, if any, contained in this Contract will remain in effect until the end of any such extended term.

**24. RENEWAL.** Unless this Contract specifically provides otherwise, League may, by sending written notice to Player on or before the expiration date referred to in Paragraph 1, renew this Contract for a period of one year. The terms and conditions, excluding the terms of this Paragraph 24 and Addendum 1, attached hereto, for said renewal year will be the same as those set forth in this Contract. As consideration for this option, Player has received upon execution of this Contract the sum of one dollar (\$1.00), the receipt and sufficiency of which Player hereby acknowledges. The rate of such yearly increases as the League may, in its discretion, pay. The Phrase "rate of compensation" as used herein means the salary payable under Paragraphs 11 and 12 herein, but excludes any other compensation payable herein, including, but limited to any earned performance bonuses.

**25. DELEGATION.** Any rights of the League arising under this Contract may be delegated to any subsidiary or affiliate of League to which this Contract is assigned pursuant to Paragraph 5(a) herein, or to Team.

**26. NOTICE.** Any notice, request, approval or consent under this Contract will be sufficiently given if in writing and delivered in person or mail (certified or first-class) by one party to the other at the address set forth in this Contract or to such other address as the recipient may subsequently have furnished in writing to the sender.

**27. OTHER AGREEMENTS.** This Contract, including any attachment to it, sets forth the entire agreement between Player and the League and cannot be modified and supplemented orally. Player agrees that no Team owner or Team employee may modify or supplement this Contract orally or in writing, and agrees that any such attempted oral or written modification of this Contract is void and unenforceable. Player and the League represent that no other agreement, oral or written, except attached to or specifically incorporated in this Contract, exists between them. The provisions of this Contract will govern the relationship between Player and the League.

**28. TEAM AGREEMENTS.** Player agrees to submit to the League for its approval any proposed oral or written contract or agreement for benefits between Player and Team, Team owner or any company, individual or association affiliated in any way with Team concerning any football or non-football related activity. Player agrees that League may refuse to approve such contracts if, in the sole discretion of the League, such contract would be detrimental to League, Team or professional football.

**29. LAW.** This Contract is made under and shall be governed by the laws of the State of Texas, United States of America.

**30. REVIEW OF CONTRACT.** Player has read all provisions of this Contract, including any addenda, and understands all provisions thereof, and has been given the opportunity to have the Contract reviewed by persons of his own choosing.

**31. RULES.** Player will comply with and be legally bound by the Constitution and by all Team rules and regulations as established and/or modified from time to time which are not inconsistent with the provisions of this Contract.

**32. ADDENDA.** All addendas attached hereto are specifically incorporated herein.
